DuPont To Pay \$42M For Va. Mercury Pollution

Balch &
Bingham

DuPont has agreed to pay \$42 million and assume cleanup costs for the release of mercury from a former Virginia plant that polluted more than 100 miles of the Shenandoah River watershed area, the U.S. Department of Justice announced Thursday.

Environmental MVP: Nossaman's Robert Thornton

Holland
& Hart

Nossaman LLP's Robert Thornton spent the past year successfully defending a \$1.8 billion highway project in Phoenix that's been in the works since 1983, helping the city of Bakersfield, California, defeat challenges to two major highway projects, and fending off

Hunton
&
Williams

opponents of the nation's largest groundwater banking project, earning him a spot on Law360's list of Environmental MVPs.

EXPERT ANALYSIS

What To Know About The New FWS Mitigation Policy

The goal of the U.S. Fish and Wildlife Service's recently published mitigation policy is to create flexibility for application across a wide range of geographic scales. The flip side of this flexibility is that the service can choose the geographic scale at which to apply the policy within the context of a given project, say Stephanie Clark and Sue Meyer of Nossaman LLP.

LEGAL INDUSTRY

How To Use Social Media And Blogs To Bring In Clients

Half of lawyers surveyed who use social media for professional purposes and more than 70 percent who blog do so to round up business, but success rates are low, the American Bar Association has found. Here's how lawyers can make more fruitful use of social networking.

Nearly Half Of Lawyers Unclear On Tech Duties: ABA Report

Nearly half of lawyers either don't think they're ethically required to stay up on legal technology developments or don't know what the rules are, according to the latest tech survey from the American Bar Association.

Chicago Boutique Sharing Profits In Bonuses For Best Attys

Chicago litigation boutique Eimer Stahl is keeping with the trend of smaller firms trouncing BigLaw on year-end bonuses, announcing Thursday that its associates will at minimum be seeing a bonus that matches the scale set by Cravath Swaine & Moore LLP, but many will also see a share of firm profits.

Law360's Weekly Verdict: Legal Lions & Lambs

Morgan Lewis & Bockius LLP and Patterson Belknap Webb & Tyler LLP stormed onto this week's legal lions list by nabbing a midtrial dismissal of product liability claims against Johnson & Johnson over the antipsychotic drug Risperdal, while an attorney for a one-time GoPro distributor landed on the legal lambs list for a brutal benchslap in which a judge said he did "just about everything wrong."

Trump Taps Kasowitz Bankruptcy Atty For Israel Ambassador

President-elect Donald Trump has nominated longtime adviser and bankruptcy litigation pro David Friedman of Kasowitz Benson Torres & Friedman LLP to serve as U.S. ambassador to Israel, his transition team announced Thursday.
